On behalf of the 120 participant at this year's Calgary Italian Open golf tournament, we would like to express our thanks for your continued sponsorship. With your help we have maintained this tradition for the last 39 years and we hope to continue for many years to come.

We have enclosed a list of this year's sponsors which were given to each player of this year's tournament.

We look forward in your co-operation in the future, once again thank you

Truly,

Carlo Duri
